Camp Clothesline

Camp Clothesline is an online camp clothing consignment store where you can buy gently used logoed camp clothing at a significant discount. You can also sell your outgrown camp clothes and make a profit while cleaning out your closet. When the items sell, half of the selling price will be directly donated to SCOPE (Summer Camp Opportunities Promote Education). SCOPE's mission is to provide children in need the edge to succeed in life through the summer camp experience. They accomplish this by funding summer camp scholarships at nonprofit, resident camps where children will benefit from a positive, safe and healthy environment led by excellent adult role models, who will help them develop their full potential.

Pleasantville Cottage School and Edenwald Center

The school houses children who have come from severely abused and neglected homes. The program involves a high level of commitment, including an interview and orientation. Therefore, we ask that volunteers and their parents make a commitment for the entire school year, October-May. The Junior Tutor program meets once a week for an hour on Thursday afternoon from 4:00-5:00. A junior tutor is paired with a student from the Edenwald School. The session is divided between having the tutor help the student with their homework followed by socializing with the student through games and activities. To further enhance the relationship between student and tutor, the family takes the student off grounds once a month for dinner or an activity.

Nothing But Nets

Every 30 seconds a child dies from malaria. Children who are able to survive the disease are faced with physical and mental challenges, such as poor growth and development. Every \$10 donation to Nothing But Nets goes directly toward the purchase, distribution and education about the proper use of an insecticide-treated bed net. Bed nets can prevent malaria transmission by up to 90 percent. Over 7 million nets have been purchased so far! One idea would be to host a basketball game for you and your friends (or against the rabbi!). www.nothingbutnets.net

Westchester Pancreatic Cancer Research Walk

Pancreatic cancer is often labeled a silent disease because many times the signs and symptoms can go unnoticed until the cancer is in the advanced stage. More than 38,000 people will die from the disease this year alone. Of those diagnosed with pancreatic cancer, just six percent survive five years and most with advanced cancer die within a year. You can join in the fight by raising money and walking for a cure. Walk is in late April.
