## **Run by Teachers and College Students.**

Each room will be led by 1 trained Early Childhood Educator and additional staff will be either teaching assistants or college age students.

## **Rotating activities schedule.**

Arts & Crafts, Movement, Sports, Yoga, Music, Nature, Organic Gardening, just to name some. Your camper will receive his/her daily schedule the week prior to the start of camp.

Please note: this is a gentle separation program. Parents/caregivers should expect to stay at camp for at least the first week of the program, to give campers the opportunity to gain comfort in a new place. If everyone is comfortable, the Head Counselor, in conjunction with parents, will determine best separation plan for campers after the first week of camp. If camper has already separated elsewhere, the determination regarding whether or not an adult must remain on premises will be made after the first day of camp.

**\*Kindly do not remit payment at this time.** This summer, we have had families request a 4s group, and we must have a minimum of 5 children in each group in order to run each program. This form will serve as confirmation that you are interested in the program, and as soon as we know that we have a full group, you will be billed. Enrollment for all programs for Summer Fun is on a first come/first serve basis. We will keep running lists of all age groups and will let you know when each camp group is full.
